WORSHIP TO YOU

Month 00 • 00:00 am/pm

Despite the suffering, disasters, and tragedies, we have to admit that life can also bring us some amazing moments of joy and appreciation. At those moments, we are filled with thanksgiving and some of us may ask, "Why am I so blessed?"

1. What is a recent experience or memory which has brought you joy?
2. How did you respond to this experience?
